

Garden of the Gods Club and Resort is your family-friendly destination year-round. With events and activities designed for every age and interest, each member of your family is welcomed as a member of ours.

CAMPS + CLASSES

From art and cooking to golf and tennis, we have enriching, professionally taught classes and camps for kids of all ages. Throughout the year, parents can join in on the fun with our Story Time and monthly yoga class.

KIDS CLUB

Our Kids Club is hosted Monday through Saturday. Families are able to enjoy all the club has to offer while their little ones play the day/night away in our newly-renovated Kids Club, complete with activity stations and a low staff-to-child ratio (1:8).

SOCIAL EVENTS/DINING

You'll make memorable family traditions at the family events we host every season. Several of our popular events include our Easter Egg Dye and Hunt with a junior-sized buffet and Easter brunch, Summer Family Pool Party, Outdoor movie nights throughout the warm months, Pumpkin Carving and Trunk or Treat, and lots of Christmas activities, such as Breakfast with Santa.

We have gourmet dining in our Club Dining Room with themed dining nights and a Children's Menu, also offered at the Kissing Camels Grille. Our Mother/Daughter Tea is always an elegant multi-generational event to treasure.

FAMILY RECREATION

Our recreation center is your home base for family fun at the Club. Our newly-renovated teen area will keep your teens happy with ping pong, foosball, pool, basketball, and three big-screen televisions. Kids love our splash garden, junior Olympic pool, diving board, and wading pool for the littlest ones. Adults can join in on the fun, or lounge by the resort infinity pool, while their children enjoy Kids Club!

GARDEN OF THE GODS PARK

The Visitor's Center is a great place to start (or take a break), featuring park information and indoor activities like the Geo-Trekker movie, American Indian dancers, Kid's Corner and Café.
