

Special events at Garden of the Gods Club and Resort are a treasured part of our community, creating indelible memories and fun traditions for Members and Guests.

WEEKLY DINING EVENTS

The Grand View Club Dining Room, Fireside Lounge and Kissing Camels Grille feature different cuisine to delight your taste buds. Different evenings highlight Chef's tasting dinners, wine pairings and themed cuisine.

MONTHLY EVENTS

Our monthly events are a great time to meet and socialize with fellow Members and Guests, or learn a new skill. There's something for everyone – food lovers enjoy our adult and kids cooking classes and Sunday brunch, while adventurers enjoy hiking and biking, while the healthy-minded can learn at educational seminars.

SOCIAL EVENTS

Exclusive for Members, our monthly Member and Junior Member socials are a favorite, with abundant food stations, hors d'oeuvres and desserts. We keep the revelry going throughout the year, with our Designer Fashion Shows on to Summer Pool Parties, and Music Under the Stars.

GOLF & TENNIS TOURNAMENTS

We are proud to host a variety of tournaments at our award-winning, 27-hole golf course and tennis complex set amidst our awe-inspiring backdrop. Golfers nationwide enjoy our Annual Men's Camel Drivers Invitational Golf Tournament, Sheiks and Shebas Couples Invitational, and Smoochers Ladies Invitational Golf Tournament. Tennis aficionados will enjoy our Pikes Peak Pow Wow Tournament and holiday mixed doubles round robins.

HOLIDAYS

Holiday events are cherished traditions at our Club and Resort, drawing Members and Guests alike year after year. With events for every major holiday, you can enjoy yourself and relax while we host you and your loved ones. Fourth of July Fireworks Extravaganza, Easter Brunch, Mother's Day Brunch, Christmas Holiday celebrations, and our elegant New Year's Eve Party are just a few of the popular holiday events our Members highly anticipate each year.

Community Events & Partnerships

With our community partnerships, we are pleased to offer a variety of exclusive activities and off-property outings throughout the year. Perhaps you're interested in a cultural event at the Pikes Peak Center or World Arena, or you've always wanted to go on a fly-fishing excursion with an instructor to help out. Maybe a skin care, cosmetics, or hair-and-nails seminar is more your style. We also offer health and wellness classes, educational seminars, and additional outdoor adventures. Whatever your interests, chances are we have an activity to suit you.
