

Tennis is served up in breathtaking style at the Garden of the Gods Club and Resort. With both indoor and outdoor courts, on-site professionals and pro shop, our Members and Guests are always prepared to play their best.

## TENNIS PROS

Our tennis program is proud to offer full-time USPTA-certified tennis professionals for coaching to help you improve your game. Our Head Professional, Scott Leifer, is a USPTA-Elite Professional, a skilled coach, and stroke technician. Along with our Assistant Pro, USPTA/USPTR-certified David Cook, Scott offers private and group instruction. During 20 years, Scott has coached a #1 nationally ranked tennis player, Division 1 players, and numerous Colorado High School State singles and doubles champions.

## PROGRAMS

### Professional Lessons

Private and group lessons are available with our Head Professional or Assistant Professional. Lessons for individuals, semi-private groups of two, or groups of three and four are available for Members and Guests.

### Adults

Our adult tennis program offers excellent weekly adult-group classes and drop-in drills with a six-to-one student-to-professional ratio. For tennis players looking for a league, join our USTA Teams or Tennis Ladder, with rankings and competitive challenges. In the summer, we offer USTA Team Play from 2.5 to 4.5. These teams are coached and they have match play throughout the city. In 2015, we had three teams qualify for the state tournament.

### Juniors

For junior tennis players, we offer junior-group classes and drill groups year-round for ages 4-18. During the summer months, juniors can participate in team tennis and a Junior Tennis Camp coached by USPTA-certified instructors. After qualifying for State, four of our junior teams competed in Denver in August 2015. We have a wide spectrum of children who are succeeding and growing in our junior tennis program.

## TOURNAMENTS

Every year we host the signature Pikes Peak Pow Pow Tennis Tournament for Members and Guests during the summer months.

## TENNIS SHOP

Our full-service Tennis Shop offers leading-edge equipment, accessories, and tennis shoes by Wilson, plus tennis apparel for men and women by Adidas and Wilson, sunglasses by Oakley, and apparel with Garden of the Gods Club & Resort or Kissing Camels Golf Club logos. Our staff will be happy to help you choose what you need to make sure you're prepared for the next game.

In addition, we have a USRSA-certified Racket Stringer on staff. We can string your racket within 24 hours—getting you back on the court.
